When you get a copy of the appeal I've been working on you'll get a few more details. In case you would like for SWP counsel, the SH file on (SWPer) Hal Very is 100-50795. (Seems very high for a FO. Maybe FBIHQ.) The record with FBI's is SF ~~[illegible]~~ 134-4655. Source: 62-109060-6872. You'll also have copies with the appeal.
